Miss Effa Manley

Newark, New Jersey

Dear Miss Manley:

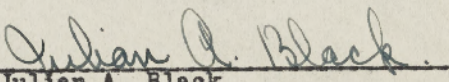

I am sorry I did not have the pleasure of seeing you while you were in Chicago. I have been pretty much on the go.

Regarding May 11th. As you possibly know Joe is to fight in New York on May 16th and it may be that we can arrange to have him come to Newark to throw the first ball for you. He is such a baseball fan that it would be a real pleasure and we all know of your team's splendid record.

However, since it is so close to his fight I can't say definitely at this time that he can appear. If there is any way possible I shall be glad to accept your kind invitation. We shall be training in New York in early May so I will be glad to contact you again.

With best wishes for a very successful season, I am

Yours very truly,

Julian A. Black
